THE FORD IS MY AUTO, I SHALL NOT WALK
IT MAKETH ME TO LIE DOWN BENEATH IT. IT
VEXETH MY SOUL.
IT LEADETH ME IN THE PATH OF RIDICULE FOR
ITS NAMESAKE.
YEA, THOUGH I RIDE THROUGH THE VALLEY I
AM TOWED UP THE HILLS.
I FEAR EVIL, FOR MY SPARK PLUGS
CORRODETH. MY RODS AND MY BOLTS
DISCOMFORT ME.
IT PREPARETH A PUNCTURE IN THE PRESENCE
OF TROUBLE.
IT ANOINTIST MY HANDS WITH GREASE. MY
RADIATOR BOILETH OVER.
SURELY CURSES AND PUNCTURES SHALL
FOLLOW ME ALL THE DAYS OF MY LIFE.
AND I SHALL PLEAD BEFORE THE FORD
FOREVER...

FROM THE PRESIDENTS DESK;

March is upon us, the weather was in the 70's last week. I WAS WORKING ON THE 'A' with the garage door up. I'd accomplished something on the 'A' but don't remember what (so many things to do). I stepped out and raised the hood of my Ford Truck to check the oil. (it was OK just in case you asked). Stepped back and thought to my self, in the 30's 40's and 50's all parts were recognizably. Meanwhile Beth came home, saw the hood up and asked what was wrong?
I told her I was checking the oil and she said to close the hood, the truck is running O.K. leave it alone and get the "A" ready to go to Wichita. **KEEP ON 'A'ING.**

ITS RUNNING, ITS RUNNING, AND LEE IS
SMILING, Just a short pull and it popped, running like a sewing machine. See you on the road Sylvia.

Heard that Quenton had his smoking and it wasn't moving, ask him about it.

How many cups of coffee did it take for Lyman and Clarence to mount four tires??? we know it took two days.
