FALL TOUR Seeing the lake of the Ozarks fall colors enticed four NWMo Club members to join four other car clubs on a four day fall driving tour. Ron & Theresa Gunther of the Plain O A's lead this well organized tour to Osage Beach, Mo. Osage Village Inn served as the headquarters motel, each morning we would depart on a new adventure driving the Ozark roads and exploring new and interesting stops. Returning each afternoon late we would still have time for good dining excursions and shopping at the Mall. With 20 A's a 1939 and 1949 Fords we did experience a few car problems. Two Flat tires, water pump change, one brake failure (pin fell out) and one A engine failure. The weather was exceptional except for the gusty winds on our return trip home Sunday. Club members Jim & Sandy Shaw, Terry & Peggy Richardson and Harvey & Vicky Roseberry all went on this tour.
