ATTENTION

Our next regular meeting will be held at the American Legion on highway 92 three miles east of highway 169 Smithville. This is a very nice facility, ample room, excellent restaurant. We will be able to order from their menu, same time 7PM.

ROSTER CHANGE

Otis & Carole Miller
11904 Hills Lane
Kearney, mo 64060 Same phone No.

CLUB ACTIVITIES

Sept 29th: Running with Bonnie & Clyde, 9am to 12 noon, Road tour at 1PM.

Oct 1st: Regular Club Meeting, don't forget the new location.

Oct 18: Regular Board meeting.

Cool temperatures and the threat of rain didn't stop seven NWMOMAFCA cars from participating in the St. Joseph south side fall festival Parade Saturday Sept 15th, coming from a distance was John & Elizabeth Osborn, Lyman Ridgeway, Charles & Judy Ishmael, Clarence & Gladys Lawson, and Terry Richardson, all who met up with Harvey & Vicky Roseberry and Eddie Griggs. Leland Daise also drove his "A" in the parade, but with the Shriner Old Timers. Marilyn gave up her co-pilot seat to her mother, Mary Baker, a south sider and previous owner of the Griggs "A". Ken & Sherry Winkinhoffer also attended. Ken rode shotgun with Lyman while Sherry tried to find her way around So. St Joe. on her own and photograph the parade. One prospective member, with a Shae, also paraded with us. Harvey and Vicky hauled a city politician with them, must need their street repaired.

The parade "line up" gave us time to look over the cars and visit(if we could talk over the rap music coming from cars lined up next to us with speakers having more horse power than our engines). The parade was well attended curbside. Children by the hundreds,(Charles Ishmael might argue "by the thousands") lined the curbs hoping for candy. Older folks, many wrapped in blankets, also enjoyed the sights and sounds of our Model"As". The club threw enough candy to support several dentists.

After the parade, most of the group (14) headed north to Barbosa's Castillo, a long established St Joe Mexican restaurant operating in a historical house at the edge of down town. Good food and conversation was enjoyed.

Those that could'nt make the last meeting missed a good one, Jim Spawn gave us a preview of the Bonnie & Clyde Symposium to be held Sept 29th. Did he wet OUR appetite or what? I know of one person that said they Wern't going until his presentation and now move over they are going to be there. The time and effort put into THIS is commendable. DON'T MISS IT...Our club has volunteered to help with the parking and lead the tours, Thanks guys.

After Jim's performance, with a TRUMPET FAN FAIR we drew the lucky winner of the quilt. Audrey Mercer of Liberty was the winner. THANK U LARRY & MARILYN....
